Atmnirbhar Divyang Snehalaya & Gurukul Vidyalyaya

वसुंधरा गुरुकुल विद्यालय व दिव्यांग स्नेहालय

Introduction

Genesis :Vasundhara Sanstha

Vasundhara Vidyaprasarak Vaidik , Krushi Sanskruti Vistarak Sanstha' ;Simply Vasundhara Sanstha ,is founded & promoted by like-minded catalytic, dedicated & enthusiastic group of experts & professionals with a multidisciplinary social development background with grass - root experiences & global appreciation.

Vasudhaiva Kutumbakam the most sublime Vedantic thought of Maha Upanishad 6.71, means, the world is one family .We all are children's of Mother Earth. Therefore, it is our responsibility as family members to cultivate unconditional generosity towards others and respect its natural resources to make it prosper .Vasundhara is Social engineering Institution which is a symbol of symbiotic relationship between environment and humanism for equitable social and economic development . The organization insists on environmentally friendly sustainable economic development and adoption of eco-friendly appropriate technology for caring natural resources and accordingly educate and train stock holders .

Our Vision , Mission

★ Vision:

A daydream that 'awakens for the creation of sustainable environment and economic empowerment through catalytic like mind's linking by development of social capital.

★ Mission :

By implementing various social development initiatives for 'Sustainable Environmental ,Rural development and Skills development to foster economic upliftment' of stock holders and 'Participants' and thereby spreading satisfaction and smiles on their face.

Project -Atmnirbhar Divyang Snehalaya & Gurukul Vidyalaya :

Our mission is to impart & enhance skills for people living with physical disabilities to foster sustainable livelihood for their self reliance , economic freedom and for their dignity. We do this by providing facility & handholding support accordingly .We impart skills training ,opportunity for employment and self employment .Develop forward and backward linkages and other essential services.

We also strive to provide education at Gurukul to divyanga community about the needs and abilities of individuals living with physical disabilities. Here we offer full time diploma and part time graduation and post-graduation education wich will be made available through the open / distance lerning mode from universitis.

Our Core Values

Respect

Caring

Commitment

Cooperation

Happiness

What We Do

- Here we interact and discuss with people living with physical disabilities candidates and their families, our expert team of psychologist and medical experts examining of their hobbies, skills, physical disabilities and abilities of their existing working strengths and accordingly we offer them different types of skills training programme for their choice and likelihood; and onward offer them employment or self-employment opportunities as per their desire needs. We provide them residential skills training at Snehhalaya onwards we provide handholding support.
- **Assistive Technology** : We offer assistive technology, such as devices and software, to help individuals with physical disabilities overcome mobility and other functional limitations.
- **Employable Job Skills Training** : We provide job training and placement services to help people with physical disabilities find meaningful and satisfying employment opportunities.
- **Education At Gurukul Vidyalaya** : We provide education or open education as per needs and capabilities of individuals living with physical disabilities.
- We purposefully develop Divyangmitra self employment cooperative society, that provide meaningful self employment opportunities.
- Public awareness campaigns, such as our "Help the Physically Challenged" digital media campaign, that promote acceptance, understanding, and inclusion of people with physical disabilities.
- Fundraising events that enable us to provide the resources and services necessary to assist people with physical disabilities.

Our Impact:

Since 2005, we have been serving vocational, skills development, livelihood development training, We are proud to be able to say that our impact has been significant, and include:

- Over 3500 individuals served
- 2000 participants in volunteer initiatives
- Placement of 2485 participants in job training and employment
- Events and programs that have educated more than 19,000 people about Livelihood, Employment, Selfemployment, Entrepreneurship, Financial literacy, disability rights women empowerment and legal-aid resources etc.

Our Appeal

This Aatmnirbhar divyang Snehhalay (special project) & Gurukul Vidyalaya which is being realized on Three Acres of land. The total infrastructure area is about 25000 square feet construction of approx. cost of Three crore rupees, is taking shape in the lap of a hill surrounded by nature on the Shivphata in the Niwane-Varwandi road situated area on the border of Deola and Kalwan taluka. In the first phase, a 7000 square feet Training Centre, Workshop- Common Facility Centre, Boys and Girls hostel, Canteen is being set up. The estimated cost of this construction is Rs. 1.25 Crore and Furnitures of estimated cost Rs. 85 lakhs.

We are dedicated to helping individuals with physical disabilities lead more active and fulfilled lives.

Your generous donations allow us to continue our mission of Aatmnirbhar Divyanga Jan. helping people with physical disabilities. Please donate, join and enjoy 'joy of giving for lifetime.
